What goes into the backpack?

- ❑ Healthy snacks and lunch in a lunch bag
- ❑ Mail bag (provided by the teacher)
- ❑ Water bottle
- ❑ Inside shoes
- ❑ Extra clothes to keep at school

Clothing for Kindergarten (ALL LABELLED)

Everyday (Dress for the Weather)

- Rubber boots and splash pants
- Winter jacket and snowpants
- Velcro** running shoes
- Warm and **waterproof** mittens

Extra Bag

- 2 extra pairs of pants/shorts
- 2 extra pairs of socks
- 2 extra pairs of underwear
- 2 extra shirts

NOTE: LABEL EVERYTHING!!! Put in a Ziploc bag please. Clothing should be comfortable and allow for your child to independently dress themselves. Practice putting on velcro shoes and jackets **independently!**

Lunch:

- We have **two** nutritional breaks. Each one is twenty minutes long.
- A variety of healthy food choices in small quantities are encouraged.
- **Practice** opening containers this summer and picking which foods to eat first.
- Please check labels to ensure all food is **nut free**.
- Some classrooms may require additional requirements for the safety of all and that will be communicated by the educators during the first days of school.

School Cash Online:

- We are a paperless school!
We use school cash online!
- Sign up to pay for hot lunch, field trips etc.

<https://simcoecounty.schoolcashonline.com/>

- Forms will come home in September with sign up instructions. You will need to be registered into our school system with a student number in order to do so.

Sign In

Student Absence:

- If your child is going to be **late** or **absent**, you **MUST** call the safe arrival phone number to let us know.
- It is a 24 hour answering machine. Call (705) 733-2633, and then press 1 for Safe Arrival and state your child's name, their teacher's name and the reason for their absence.
- Safe Arrival registration forms will go home in September.

Volunteering:

- Parents who wish to be **CONSIDERED** for volunteering **MUST** have a current criminal reference check (vulnerable section).
- Go online to register for **VOLUNTEERING** at www.scdsb.on.ca and use the 'community apps' link.
- If a criminal records check is needed, you will need a school form signed by administration to take with you to the Police station; this can be picked up in the front office.
- **This must be completed in September 2023**

Medical:

- ❑ If your child has a medical condition that we need to be aware of, a Plan of Care needs to be completed by you.

[Anaphylaxis](#)

[Diabetes](#)

[Epilepsy](#)

[Asthma](#)

[General\(Other\)](#)

- ❑ If your child will need medication administered or stored at school, a Plan of Care (see specific links above) and a [Medical Form](#) (signed by a doctor) must be completed.
- ❑ To obtain these forms please contact the office or click the links above.
- ❑ **These forms must be in place for the first day of school or ASAP.**
- ❑ Any questions or concerns please contact the office - (705) 733-2633

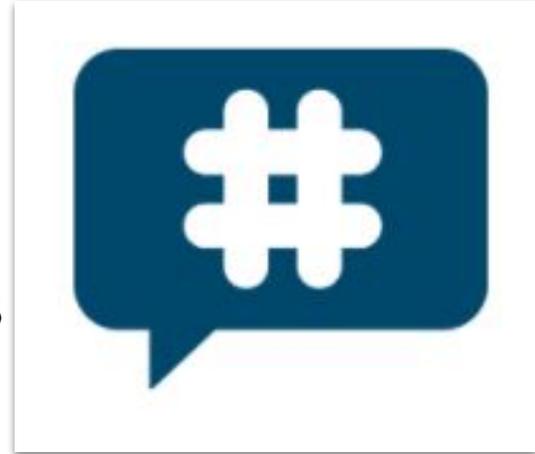

Bussing Information:

- Home to School Bus information was given to eligible families during the registration process.
- If weather conditions or other issues arise, which may make a bus late at times, follow all the rules and expectations on the website www.simcoecountyschoolbus.ca.
- Follow Twitter: [@SCSTC_SchoolBus](https://twitter.com/SCSTC_SchoolBus)
- Buses have a window of **15 minutes to be late**. ONLY after this time, will they put on their website / Twitter and also notify the school (NOT before).

Social Media:

- Follow us on Twitter: @meadows_es
- Our school website:
<http://hol.scdsb.on.ca/>
- Each classroom has their own means of communication which will be established at the beginning of the school year. Stay tuned!

Fast Facts:

- Each classroom team of educators will have different methods of communication (e-mail, google classroom) ALWAYS, your first point of contact is the educators from your child's classroom.
- Each classroom is unique, yet follows the practices & expectations of the Kindergarten Program.
- In Kindergarten, students are outside EVERYDAY. Always dress appropriately for the outside weather.

Fast Facts:

- We practice self-regulation everyday and encourage your child to be independent with their lunch, shoes, jackets and belongings. It is good to practice these skills leading up to kindergarten.
- Kindergarten students do not need pencil cases as supplies are provided in each classroom. Only their indoor shoes and extra clothes required.
- Donations such as tissues, antibacterial foaming hand soap and paper towel are always appreciated.

S.E.E.D.S. Childcare Holly Meadows

S.E.E.D.S. Childcare has been a leader in quality childcare since 1974. At S.E.E.D.S. Childcare we believe that each child is a special individual, that every aspect of their development is equally important, and that each child has the right to an early childhood program that promotes their unique growth and developmental potential. Our goal is to provide a safe, health and supportive environment that understands, respects, responds to and nurtures each child's uniqueness—with an environment that focuses on building a child's sense of self-esteem, confidence and self-worth. Our trained educators work with children to develop engaging, thought provoking, and rich experiences that allow children to continue to discover their sense of self, promote collaboration and are just plain fun!

If you are interested in more information regarding S.E.E.D.S. Childcare at Holly Meadows, please reach out to Alanna at 705-726-3770 ext. 108 or at alunneburg@seedschildcare.ca

EarlyON Child and Family Centres offer parents and caregivers with children prenatal to 6 years of age, a range of free core services which can assist them in their parenting or caregiving role.

These centres welcome all families to participate in quality programs that:

- help strengthen adult-child relationships,
- support parent education, and
- foster healthy child development.

Qualified professionals can help families and caregivers find support, get advice, make personal connections and access a network of resources.

As parents and caregivers we often wonder if our child is meeting their developmental milestones. EarlyON Program Facilitators are trained to complete developmental screening tools with parents and caregivers.

Did you know that all EarlyON Child Family Centres base their programs on the pedagogy How Does Learning Happen? This pedagogy also forms the foundation for the kindergarten curriculum in Ontario.

Coming this April

The Simcoe County EarlyON Child and Family Centres are excited to be offering the Getting Ready for K program that help prepare children and parents for kindergarten.

Parents Guide to Literacy & Math in Kindergarten:

(click the picture for the link)

**A PARENT'S GUIDE
TO LITERACY AND MATHEMATICS
IN FULL-DAY KINDERGARTEN**

Full-day kindergarten (kindergarten) is designed to give your child a stronger start in school and in life – by providing an engaging learning program during the school day that is based on a child's natural desire for play. All children enter school capable, competent and ready to learn. Kindergarten will help them grow physically, socially, emotionally and intellectually.

The kindergarten program is organized into four broad areas or "frames." They reflect the way in which learning naturally occurs during children's exploration, play and inquiry.

- » **Belonging and Contributing**
- » **Self-Regulation and Well-Being**
- » **Demonstrating Literacy and Mathematics Behaviours**
- » **Problem Solving and Innovating**

About literacy and math

Before starting school, children have already had a wide range of experiences with words, letters, numbers and pictures, and have used language and mathematical thinking at home and in their community.

Learning happens when people are actively engaged in thinking and working together. This is the foundation of the kindergarten program. Children learn different ways to think about things, to consider different perspectives and to think critically about information. This is more than only identifying letters and numbers. Children may show their understanding by:

- writing, painting or drawing
- exploring things and asking questions or making comments about what they observe
- drawing pictures and/or printing some numbers, letters, and/or words
- creating with materials such as blocks, sand or recycled items

ontario.ca/kindergarten

When do Year One Students go to School?

Year One students DO NOT attend the first day of school.

Year One Kindergarten students start
Thursday, September 7, 2023 @ 9:05 a.m.

Students can arrive as early as 8:50 a.m. as that is when supervision begins.

All Kindergarten students will enter the school yard at the gate to the left of the main front doors. There will be staff members to greet them.

Only Kindergarten students are permitted through the school yard gate.

What happens at school?

The Child

Each child is a unique individual. Learning success depends on the development of feelings of confidence and self-esteem as well as the recognition of the value of the child's individual abilities.

The Educators

The teachers and early childhood educators create rich learning environments that are safe, caring, accepting, challenging and stimulating. Children are expected to think, to notice, to question, to explore, to discover, and to make connections. The educators carefully observe each child in order to know his or her growing capabilities and then provide appropriate learning experiences.

Play

Play is the child's natural way of making sense of the world. Children learn when all their senses are actively involved. They need to talk and think about everything they do. This is why our Kindergartens are active environments where children are involved with ideas, feelings, and concepts. Research indicates that play is the way young children learn best.
